but could not get any responses from any of the houses. He came back onto the road to run further down, when he saw a car coming. He flagged it down and it turned out to be his own vehicle. The guys got out again, and started to beat him again, tearing his clothes off. Victim acted as if he was knocked out, but he was aware. He felt a gun at his head, and a voice say, "If you go to the police, we'll kill you." The men then fled the area taking the victim's vehicle with them heading towards Coolspring street.

## LIST OF STOLEN PROPERTY:

One (1) 1983 Chev. Cavalier SW, VIN 1G1AC35P507131708	\$5500.00
One (1) worn brown wallet, containing \$115.00 in U.S. currency and personal cards including victim's driver's license.	\$ 125.00
<b>TOTAL VALUE:</b>	<b>\$ 5625.00</b>

Damage to vehicle, rear dent and windows smashed out, prior to it being burned, was approximately \$300.00.

Victim STERBUTZEL stated he was at the Rainbow Tavern on Connellsville St., when a couple of guys approached him to buy a VCR stereo. One of them was Mark DIMATTEO, who he knew for about a year and a half. He did not have too much money on him so he went to the cash stream money machine at the Laurel Mall. This was around 11:00 P.M. on 7 Jan 86. When he came back to the tavern, the guy wanted to sell him some other stereo equipment. Victim told the guy he only had a hundred and fifteen dollars on him, and that he would go and get some more money at the cash stream machine. The guy went with him this time, and when the victim put his card into the machine, it would not return it, so he could not get any more money. This was around 11:30 P.M. on 7 Jan 86. STERBUTZEL then asked the guy if he would take a personal check and he agreed. They went back to the tavern and the victim and the guy agreed to meet in the parking lot of the associated hardware store in Hopwood, since the guy had to go and get the other pieces of equipment.

Victim dropped the guy off at the tavern and proceeded to take Connellsville St. turning onto Boquet St., and then onto Coolspring St.. He then turned left onto Craig Lane. As he was coming near the STANNAC residence, a car hit him in the rear. As he got out of his car a big guy, about 6ft. tall and husky with a beard, got out of a small red car (the one that hit his car) and hit the victim in the face. He was down on the road, when three or four other guys, all white, jumped on him and beat him. STERBUTZEL managed to get away, and while he was running, he heard the guys smash out his car windows. He went to two or three houses in the area, but could not get a response.

As victim was running further down the road to get help, he saw a car coming so he flagged it down. When it stopped, it was his car, and the next thing he knew, the same guys got out and beat him again. They tore off his pant leg, pushed his face down, and he felt a gun at his head. One of the guys said, "If you go to the police, we'll kill you." He recognized one of the men who beat him as Mark DIMATTEO. DIMATTEO was also the one who made the threat about killing him.

The guys then took the victim's car with them and headed towards Coolspring St.. Victim then got back up and ran down the road to the Speedway Auto Shop, smashing out the office window to get inside and call the police. A little while later the police came and found him.

The only description of the guy in victim's car who went with him to the

cash stream machine, was White Male with a beard. When asked if he could identify the man again if he saw him, victim said he could not.

Victim described the guy who hit him first after the car struck his car, as white male, stocky with a beard, about 6 ft. tall.

All suspects in this case were in their early twenties.

Victim was beat about the face and body, and his left pant leg was missing, and his clothes were in disarray. Hopwood ambulance was notified and arrived to transport victim to Uniontown Hospital, Utn., Pa. 15401.

Richard Lee BUTTERBAUGH, W/M-W-54, RD#2, Box 669, Uniontown, Pa. 15401, owner of Speedway Auto Shop was notified of this incident. He knows the victim well, and would contact him at a later date concerning the window.

Victim called station later on 8 Jan 86, stating the bartender at the Rainbow tavern, only known as Emanuel, might have some information as to who assaulted victim.

Value of damage down to victim's vehicle as result of Arson was approximately \$5,500.00. Refer to Stolen-Recovered Vehicle Report #BA-495538, 8 Jan 86.

This assault was apparently in relationship to victim's dealings with DEMATTEO and the guy at the Rainbow Tavern, and not a result of a by chance traffic accident.

Accompanied by Tpr. Joseph T. SIBAL, Utn.- 1240.

## ADDITIONAL ACCUSED/SUSPECT

On 9 Jan 86, the investigating officer of this offense, Tpr. STBAL, requested assistance in his investigation by having the Troop "B" identification section to proceed to the Uniontown Station for the purpose of processing a Ski Poll for the possibility of finging latent fingerprints.

The preliminary investigation indicated several latent ridge formations, but under close examination this officer has formulated the opinion that the formations were discernable and not suitable to make an accurate identification. This officer therefore destroyed all the latents in this case, thus giving this investigation a negative results for latent prints.

Price, Kevin Douglas &amp; Price, Ellis Eugene

On this date, 23 July 1986, this officer, assisted by Tpr. Roy FULLER, PSP, Uniontown, PA interviewed Mark Anthony DIMATTEO relative to information concerning this robbery. On the previous day, 22 July 1986, Tpr. Roy FULLER interviewed Mark Anthony DIMATTEO and asked him if he would come to the PA State Police barracks to give a full statement concerning what he observed the night of the robbery. When Mark Anthony DIMATTEO arrived at the PA State Police station on 23 July 1986, he was accompanied by his father and he was present throughout the interview.

Mark Anthony DIMATTEO, W/N/M/26, RD#1, Box 612, Uniontown, PA 15401, telephone number: 439-1149. When this subject was interviewed concerning this robbery, he gave the following statement. "I went to Parks Tavern, and when I was there, Kevin PRICE come in and he tried to buy a couple of drinks. The bartender wouldn't serve him because he had a neck brace on and the bartender thought that he might have some type of drugs in his system. Then a Mr. CALHOUN who was also at the bar, said he was going out to the Rainbow Tavern and asked me if I wanted to go along. I told him I'd go and then Kevin PRICE asked me if he could go along with us. Since Kevin PRICE owed me money for wrecking my jeep and he was talking about trying to get me some money back, I invited him along. When we drove out to the Rainbow Tavern, we sat there awhile and the Mr. CALHOUN left. A short time later, Keith STERBUTZEL came in and he sat down with us. We talked awhile and then Bobby PRICE and Ellis PRICE come in. Bob PRICE then offered to sell me a VCR. I told him I didn't want it and he told me it was a good one and he wanted a hundred dollars for it. Again I told him no, I didn't want it. At that time Keith STERBUTZEL told him he would take it

for a hundred dollars. Then Keith told him he would have to go out to Anytime Banking and get the money. At that time I called Mr. CALHOUN and told him I wanted a ride home and he said he'd pick me up in about forty-five minutes. While I was waiting, Keith asked me if I would drive out with him since he didn't know these guys. At this time I told him I already had a ride. Then Bob PRICE come over and told me that if I went along with them, they would drop me off at home. So then I called Mr. CALHOUN back and told him I had a ride home. We all went outside and Keith and Ellis PRICE got in Keith's car. I got in with Bob PRICE and Kevin PRICE. They were driving a 1971 or '72 red Pontiac Ventura, two door. We all drove out to anytime banking at the Laurel Mall. Then after Keith finished at the anytime banking, we drove back down U. S. 119. The next thing I remember was that we hit Keith's car and I woke up. At this time we were out by Speedway Auto and Keith came back and started cussing at Bobby. Then Bobby got out of the car and he started punching Keith. Then Ellis and Kevin both got out and they were all three beating on him. They knocked him down and were beating him and ripping off his clothing. Then I started hollering at them to stop, you're going to kill him. I told them that he had just been operated on. Before they started beating on Keith STERBUTZEL, I heard Ellis PRICE smash the rear side window out of Keith's station wagon. And then after they stopped beating him, they started threatening me. They told me that if I was smart, I'd keep my mouth shut. They were already in trouble, and then they told me that they would get me. The next day I saw Bob, Ellis and Kevin and they again told me to keep my mouth shut."
